

# Presentations Seminar Media Informatics

Updated: 27. März 2019

Jörg Cassens

Seminar Medieninformatik  
Winter Term 2018/2019

## Reminder: Requirements

1. Delivery of an abstract of the term paper
  - Commitment to topic
2. Delivery of a term paper
  - The base literature forms an entry point to the topic area
  - You will need to consult other literature as well
  - The term paper has to have a length of 15 to 20 pages in the template format without cover sheets, table of contents, references, appendices etc.
  - Form and content of the term paper will be graded
3. Delivery of a presentation in the course
  - 30 minutes talk plus 15 minutes of discussion
  - Form and content of the presentation will be graded, as will the performance in the following discussion
4. Regular attendance of the course
  - A minimum number of 4 presentations besides your own
  - More is better
  - Active participation is expected and will be graded
