

# Presentations Seminar Media Informatics

Updated: 26. April 2018

Jörg Cassens

Seminar Medieninformatik  
Winter Term 2017/2018

## Reminder: Requirements

1. Delivery of an abstract of the term paper
  - Commitment to topic
2. Delivery of a term paper
  - The base literature forms an entry point to the topic area
  - You will need to consult other literature as well
  - The term paper has to have a minimum length of at least 15 pages in the given template format without cover sheets, table of contents, references etc.
  - Form and content of the term paper will be graded
3. Delivery of a presentation in the course
  - 30 minutes talk plus 15 minutes of discussion
  - Form and content of the presentation will be graded, as will the performance in the following discussion
4. Regular attendance of the course
  - A minimum number of 5 presentations besides your own
  - More is better
  - Active participation is expected and will be graded

## Presentations 24.01.2018

All presentations scheduled for today have been moved to 04.04.2018

## Presentations 31.01.2018

---

| <b>31.01.2018; 14:15-16:00, A 102 Spl.</b> |                     |                           |
|--|---------------------|---------------------------|
| 14:15                                      | Jörg Cassens        | Welcome                   |
|  | <i>Topic area</i>   | <i>Natural Language I</i> |
| 14:30                                      | Junaid Ahmed Ghauri | Conversational Systems    |
| 15:15                                      | Kivanc Yilmaz       | Interactive Storytelling  |

---

Coffee Break

---

| <b>31.01.2018; 16:15-18:00, A 102 Spl.</b> |                   |                                     |
|--|-------------------|-------------------------------------|
|  | <i>Topic area</i> | <i>Natural Language II</i>          |
| 16:15                                      | Alda Cypi         | Lecture Interaction & Summarization |
| 17:00                                      | Shayan Jawed      | Negation and Speculation            |
| 17:45                                      | Jörg Cassens      | Wrap up                             |

---

## Presentations 28.03.2016

---

| <b>28.03.2018; 12:00-13:00, A 102 Spl.</b> |                   |                               |
|--|-------------------|-------------------------------|
| 12:00                                      | Jörg Cassens      | Welcome                       |
|  | <i>Topic area</i> | <i>Activity Recognition I</i> |
| 12:15                                      | Niraj Dev Pandey  | Context in Emotion Perception |

---

Lunch Break

---

| <b>28.03.2018; 14:00-15:30, A 102 Spl.</b> |                        |   |
|--|------------------------|---|
|  | <i>Topic area</i>      | <i>Activity Recognition II</i>                            |
| 14:00                                      | Malek Boukhari         | Environments & Activity Recognition for Autonomous Robots |
| 14:45                                      | Mofassir Ul Islam Arif | Stress Detection using Facial Cues                        |

---

Coffee Break

---

| <b>28.03.2018; 15:45-17:30, A 102 Spl.</b> |                   |   |
|--|-------------------|---|
|  | <i>Topic area</i> | <i>Historic Milestones I</i>                            |
| 15:45                                      | Kamila Serwa      | Personal Dynamic Media                                  |
|  | <i>Topic area</i> | <i>Ambient Systems &amp; Contextualised Computing I</i> |
| 16:30                                      | Lorenz Habenicht  | Smart Meeting Rooms in Science and Education            |
| 17:15                                      | Jörg Cassens      | Wrap up   |

---

## Presentations 04.04.2018

---

| <b>04.04.2018; 11:15-13:00, A 102 Spl.</b> |                   |  |
|--|-------------------|--|
| 11:15                                      | Jörg Cassens      | Welcome  |
|  | <i>Topic area</i> | <i>Activity Recognition III</i>                          |
| 11:30                                      | Valerie Chikukwa  | Recognition of Facial Actions                            |
|  | <i>Topic area</i> | <i>Ambient Systems &amp; Contextualised Computing II</i> |
| 12:15                                      | Marco Di Maria    | Privacy in Autonomous Systems                            |

---

Lunch Break

---

| <b>04.04.2018; 14:00-15:30, A 102 Spl.</b> |                   |   |
|--|-------------------|---|
|  | <i>Topic area</i> | <i>Ambient Systems &amp; Contextualised Computing III</i> |
| 14:00                                      | Eugen Kromm       | Human interaction with smart environments                 |
|  | <i>Topic area</i> | <i>Natural Language III</i>                               |
| 14:45                                      | Mehran Amiri      | Taxonomy of Negativity                                    |

---

Coffee Break

---

| <b>04.04.2018; 15:45-17:30, A 102 Spl.</b> |                    |   |
|--|--------------------|---|
|  | <i>Topic area</i>  | <i>Transdisciplinary Issues</i>         |
| 15:45                                      | Lucky Okehighbemen | Activity Theory: Taxonomy of Use in HCI |
|  | <i>Topic area</i>  | <i>Historic Milestones II</i>           |
| 16:30                                      | Marvin Forstreuter | Enhancing Human Problem Solving         |
| 17:15                                      | Jörg Cassens       | Wrap up                                 |

---

## Presentations 02.05.2018

---

| <b>02.05.2018; 14:15-16:15, B 141 Spl.</b> |                   |  |
|--|-------------------|--|
| 14:15                                      | Jörg Cassens      | Welcome  |
|  | <i>Topic area</i> | <i>Ambient Systems &amp; Contextualised Computing IV</i> |
| 14:30                                      | Christian Spruck  | Touch-less interactive AR game                           |
|  | <i>Topic area</i> | <i>Activity Recognition IV</i>                           |
| 15:15                                      | Raghavendran Tata | Single Video Activity Recognition                        |
| 16:00                                      | Jörg Cassens      | Wrap up  |

---
